AS5002

This decorative, elegant tower loudspeaker has a unique design and guarantees unlimited listening pleasure. Its advanced technological composition will lift your music to a higher plane. The double woofer (split mid-range and low tones) and the separate chambers in the cabinet, supplemented by a high-quality tweeter produce an exceptionally warm and detailed sound. High-end in a slim body. For anyone who wants to experience music or films at a high level. Available in glossy black or black wood finish. Complete with dynamic base with spikes.
